

Figure 1: Schematic diagram of the experimental setup. The diagram shows a rectangular area labeled '1' (the subject) with a dashed line indicating a path. The path starts at point 'A' (top left), goes right to point 'A'' (top right), then down to point 'H' (bottom right), and finally left to point 'H'' (bottom left). The path is labeled '1' and '2'. The area is divided into two zones: 'ZONE 1 : -26 paf' and 'ZONE 2 : -21 paf'. The angle 'a' is indicated between the horizontal and vertical segments of the path. The diagram also shows a coordinate system with points 1', 19, 12.1, 16.2, and 19. Other points labeled include Z1, D2, Y4, F1, and H.
